

Kathleen Coviello

Director of Technology & Life Sciences Division
NJ Economic Development Authority

Kathleen Coviello is the Director of the Technology & Life Sciences Division (TLS) of the EDA. As such, she along with her team, are responsible for working closely with the early stage technology and life science companies and investors in the state and delivering the various Edison Innovation Fund products to this community.

Prior to joining the EDA, she spent over seventeen years in the banking industry, with the last eight focused exclusively on the NJ Technology Venture Lending Market. Her venture lending experience includes employment at Silicon Valley Bank, Comerica Bank and Progress's Techbanc.

Coviello is active in the NJ entrepreneurial technology community and sits on the advisory and/or valuation boards of Edison Venture Fund, The Garden State Life Sciences Fund, and NJTC Venture Fund.
